

Stone Soup Leadership Institute's  
Story of the Week: *Fulfilling Martin's Dream*  
Frank Carr/INROADS  
Week of February 7 - 13, 2021

THRIVE GLOBAL  
**Fulfilling Martin's Dream**  
*Now is the time to lift our nation from the quicksands of racial injustice to the solid rock of brotherhood.*

**Sunday: Thrive Global: Fulfilling Martin's Dream**

**#SundayThoughts:** In honor of #BlackHistoryMonth, this week's story on @AriannaHuff's @Thrive Global tells the inspiring story of Frank Carr, a businessman, who was deeply inspired by Dr. King Jr.'s dream by starting @INROADS to advance diversity in corporations by connecting #nextgenleaders with companies through paid internships.

“ We had no track record, just a dream, and enough people willing to take some risks.”

FRANK CARR  
INROADS

@stonesoupleader

**Monday: Quote: Frank Carr**

**#MondayMotivation:** Frank Carr organized busses from Chicago to travel to Washington D.C. where he was inspired by Dr. King Jr.'s “I Have a Dream Speech.” He was changed forever. He returned home and urged his Chicago business friends to create opportunities for students of color with internships. Today, 82% of INROADS college graduating students accept a job with their sponsoring company.

Follow us to receive more inspirational stories about organizations like INROADS that work to build a more equitable world.

Frank Carr  
INROADS

### Tuesday: Hero Report: Frank Carr and INROADS

Watch this inspiring video about how Frank Carr strived to fulfill Dr. King's dream for economic equity by closing the gap between "kids who just didn't have a chance" and management positions in corporations.

### Wednesday: Honor Roll: INROADS

#CalltoAction "Being a mentor is more than just giving advice. It's creating a pathway of opportunity for others and leading the way to a future of possibilities." INROADS President and CEO Forest T. Harper, Jr.

If you are looking for employees that are focused, talented, and diverse, visit [www.inroads.org](http://www.inroads.org) to find out how your company can get involved with INROADS.

### Thursday: INROADS Statistics

#ThrowbackThursday: The Stone Soup Leadership Institute's Founding Director Marianne Larned's column about INROADS was featured in the Business of Education Series in the San Francisco Business Times. This 12-part series shined the light on INROADS' founding principles to promote racial equity, which are still effective today.

**Saturday: INROADS Resources**

#SaturdayThoughts: See how INROADS has grown in nearly 4 decades to become the nation’s largest nonprofit provider of internships and leadership development solutions. Through robust programs, such as Internships, College Links, Professional Services, and Workforce Solutions INROADS paves the way for talented talented students from ethnically and culturally diverse backgrounds to become leaders in their communities. At the same time, businesses have realized the benefits of a diverse workforce.
