

Stone Soup Leadership Institute's
Story of the Week: Global Climate Strike
Week of March 14 - March 20, 2021

Sunday: Thrive Global: Fighting Alongside the Most Vulnerable Among Us

#SundayThoughts: This week's story on Arianna Huffington's Thrive Global showcases environmental justice leader, Mitzi Jonelle Tan who founded Youth Advocates for Climate Action Philippines, in partnership with Fridays For Future. Mitzi strives to help change the conditions for indigenous people who are among the most impacted by the climate crisis.

Friday: The Global Climate Strike, March 19

Today, millions of young people join with @Fridays for Future Global Climate Strike to urge world leaders to take concrete and immediate action in the face of the climate-related disasters that are devastating countries -- from wildfires in North America, Australia and Latin America, to the droughts in Africa, to the super typhoons in the Philippines and superstorms that devastated Central America and Caribbean.
