#### Thursday: Youth Demands + Featuring StoneSoupYoungHero

"As the fossil fuel industry and those in power try to keep us quiet, we persist. To our so-called leaders, especially in the Global North: The fossil fuel industry, and this profit-oriented system built off of the exploitation of the marginalized *will drown* in our calls for justice. So, I hope you know how to swim." @mitzijonelle

How can you use your voice to stand up to those contributing hugely to the #ClimateCrisis ?
