 Story of the Week: Chris Aring
 Week of May7-13, 2023

Sunday Story : Chris Aring

READ this story about 15-year-old Chris Aring’s life-changing moment when he met Gandhi’s grandson. He then used his tech skills to envision what became The Institute’s Stone Soup Ed-Tech Platform with groundbreaking educational tools so young people can build a more sustainable world. “Chris was intrigued with the idea of being able to use the power of technology for positive social change...” #ClimateEducation #YouthLeadership #Education #Tech #SocialJustice @chris_aring @arun_m_gandhi
