

The Stone Soup Leadership Institute's  
 Jean Hinchliffe  
 Week of May 22 - May 28, 2022

**Sunday Story: Jean Hinchliffe**

#JeanHinchliffe became a leader in #Australia's #ClimateAction movement when she was just 15. "This is not an inner-city issue, or a greenie issue...a young person's issue or a wealthy person's issue. This is an *everybody* issue," Jean says. "We are the majority. And we demand change!" #StopAdani
