2. Monday: Jamie Margolin, This is Zero Hour

Jamie Margolin has been organizing and protesting since she was 14 years old. When the night of the 2016 election came, everything changed for Jamie. "It shattered my ideal, that the good guys would always win." That is why she's helping with Get Out the Vote this year.

3. Tuesday: Hero Report: Jamie Margolin, This is Zero Hour

In the wake of Hurricane Maria, the Canadian wildfires, and other environmental disasters aligning, Jaime decided that enough is enough. If political leaders weren't going to take the climate crisis seriously, then she would. And so, at age 15, she co-founded the Zero Hour Organization. "We can't just ignore climate change, and hope someone else will deal with it. Ensuring climate justice for future generations is an enormous task."
