Congratulations to CT Representative Christine Palm

Cronkite Award for Climate Education

 **Congratulations**
Cronkite Award for Climate Education
State Representative Christine Palm
Connecticut

"It is both a surprise and an honor to have been chosen for this award. I grew up listening to Walter Cronkite deliver the news with unwavering accuracy and fairness. But it doesn't take a journalist of Cronkite's stature to educate us about the clear and present dangers of climate chaos.

It is my generation's responsibility to help younger generations be part of the solution to a problem they had no hand in creating. With this award, I redouble my efforts to do that."

LEGISLATOR OF THE YEAR

REP. CHRISTINE PALM

In Recognition Of Her Unwavering Commitment To Advancing Climate Legislation And Inspiring The Next Generation Of Environmental Leaders
