Dear 2017 Youth Delegates,

Congratulations to you for being selected to participate in the 13th Annual Youth Leadership Summit for Sustainable Development.

This week-long training on Martha's Vineyard is an incredible opportunity for personal growth and the chance to examine the ways you can work to promote sustainable development in your community. You and your family should be proud of your nomination to be a Youth Delegate to this year's Summit.

As the State Senator for the City of Holyoke, I am thrilled to see so many young people from the city committed to engaging the community and promoting sustainable development.

Throughout the course of the week, you are sure to encounter new experiences, meet people from around the world, and develop tools and skills that you'll be able to use in your community and your life for years to come.

Make the most of this wonderful opportunity and absorb as many new ideas and skills as you can.

Once again, congratulations for being selected as a Youth Delegate and keep up the great work.

Sincerely,
