Support MAPA climate activists to get to COP 27. #GetMAPAtoCOP

you can join us

We need around **7,000 USD** to bring each activist to COP 27. To ensure that all regions **affected by the climate crisis** can raise their voices in these spaces, we need to raise 294,000 USD to complete our delegation.

We have been unheard, but we are not voiceless. We're fighting for our present, not just our future. Join us to bring MAPA climate activists to COP27 and amplify our rich stories of resistance!

Mitzi and MAPA youth delegates need our help to travel to COP 27. Their voices need to be heard! Can you help send #MAPA delegates to #COP27?

Friday: Nicki Becker COP26

#NickiBecker, founder of #JovenesPorElClima, got Argentinian leaders to declare the country in a state of climate emergency, which set the stage for wide-sweeping reforms. "One of the most important things is financing, because the countries of the #GlobalSouth don't have the money to deal with the consequences of the climate crisis that our countries are

already suffering from."
