Dear Youth Delegates:

I want to extend my congratulations to those selected as a Youth Delegate in the 2023 Stone Soup Leadership Institute/Bristol Agricultural High School Leadership Program and Sustainability Summit: 2023.

This is an excellent opportunity to showcase the knowledge and skills learned in the classroom and exercise them on an international level. This program will allow delegates the ability to make connections and form relationships with other Youth Delegates in Terceira, Azores, where they will learn how to create dynamic presentations and develop strategies to engage with the local community and learn about other cultures.

This is an incredible achievement to be selected, and all delegates should be proud of their accomplishments thus far. I encourage all delegates to fully utilize this experience to grow as individuals, scholars, and leaders to those around them. Enjoy this opportunity, and I look forward to seeing the remarkable work that will be produced.

If I can assist any delegate during this process, please do not hesitate to contact me at 617-722-1551.

Sincerely,

A handwritten signature in blue ink, appearing to read "Marc R. Pacheco".
